GERMAN'S ATTEMPT TO SPREAD PROPAGANDA

LONDON, July 26.—Tons of seditious literature, printed in many languages, and intended for circulation in neutral countries, have been seized here and condemned by a prize court as part of a gigantic scheme on the part of the Germans to spread their propaganda to the four corners of the earth. The seizures were found in the mails of the steamships Oranje, Rembrandt and Goentoe. More than 1,500 bags, containing thousands of pamphlets, were removed from the vessels by British authorities.

Sir Frederick Smith, the attorney general, in asking the court to condemn the seizures, asserted that the scheme was on the largest possible scale, and had been carried out with ingenuity and thoroughness. In a neat

red and yellow cover, he said, was a pamphlet entitled "The Neutrality of India and England," and information available to the British authorities showed that in virtually every neutral town of importance, the Germans had appointed agents whose special mission it was to distribute the literature.

There were Dutch and French editions of this pamphlet, the French edition being edited, it was said, by the Indian national party. An Arabic pamphlet had a flaming red star and crescent on the cover. Another dealt with alleged British atrocities.

A pamphlet in French and Spanish, entitled "England's Rule in India," was intended for circulation as far afield as Bolivia, it was said.

A Recent Photo of French Actress

Mme. Sarah Bernhardt, who for months has been recovering in New York city from a serious operation, posed for this picture in her New York home. It was just before she

was to be given a medal by the American fund for French wounded, a medal like those presented to General Joffre, President Poincare and former Premier Viviani.

IF KIDNEYS AND BLADDER BOTHER

TAKE SALTS TO FLUSH KIDNEYS AND NEUTRALIZE IRRITATING ACIDS

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation, and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs, which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia water drink, which quickly relieves bladder trouble.—Adv.

FEW FOLKS HAVE GRAY HAIR NOW

DRUGGIST SAYS LADIES ARE USING RECIPE OF SAGE TEA AND SULPHUR

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmothers

made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture, improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications it also brings back the gloss and lustre and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Adv.
